Moisture Barrier

Reusable

Impact Resistant

Available in 800 sq. ft. rolls

25 lbs per roll / 4 Rolls per Pallet

48" wide x 3.5 mm thick x 200' long

Diameter 24"

Density 1.6# (nominal)

Cover provides surface protection for newly installed floors to prevent scratching & denting. Cover resists surface spills and water spots on the top of the film surface.

Water & Oil Resistant:

COVER! protects from stains, oils and chemicals

Puncture Resistant:

COVER! has a special blended film layer that is tear resistant

Structural Integrity:

Corrugated ribbed foam structure allows for better impact resistance from overlying obstacles and offers some breathability to promote curing materials beneath

Lays Flat:

COVER! is a ridged foam which lays flat to lessen the risk of tripping or stumbling on the floor
